

Edgewater Gardens Long-term Care was established in 2006 and serves 64 residents as part of an integrated health campus that includes Haldimand War Memorial Hospital, a primary care centre, and other health specialties. As an organization that works well with its partners, our approach to serving residents is focused on the individual's needs and acknowledging that they don't live in our workplace, we work in their home. We have a highly skilled team of professionals, including Registered Nurses, Registered Practical Nurses, Personal Support Workers, Physiotherapists, and a Nurse Practitioner.

Come join us on the beautiful banks of the Grand River as our ...

MEDICAL DIRECTOR

Qualities of a successful candidate:

- As a member of the health care team, you are experienced in long-term care and will provide medical leadership to staff and other physicians.
- You possess a valid license to practice medicine in Ontario and preferably have a Fellowship in Geriatric Medicine.
- You will be active in making rounds, medication reviews, and serve as an integral member of the Professional Advisory Committee and Medication Management Committee.
- You are known for your excellent communication skills with all types of professionals.
- You are very giving of your time and consistently demonstrate your respect for residents, families, and staff.
- You ensure the use of evidence-based best practices and drive quality improvement initiatives.
- You like to exercise your creative and innovative talents to ensure we are providing the highest level of resident care.
- Your membership on the medical staff of Haldimand War Memorial Hospital will provide for an excellent continuity of care for any residents requiring hospital care.

Qualified candidates may apply by March 9, 2018 to:

Greg Allen, Administrator
Edgewater Gardens Long-term Care
428 Broad Street West
Dunnville, ON N1A 1T3
