

Our Nursing Department is Hiring

Haldimand War Memorial Hospital in beautiful Dunnville, Ontario is a 39 bed hospital serving acute care and complex care patients. Our emergency department has approximately 25,000 visits per year and our Operating Room has ophthalmology surgery as well as general services. We also boast Haldimand County's first CT scanner.

As an organization that integrates well with its partners, our presence is more vital to our community than it ever has been before. Come and join us on the beautiful banks of the Grand River in being the major health service provider to our community.

Positions Currently Available

- Temporary Full-time Registered Nurse to work in the Emergency Department (ED) – (can lead to a permanent position)
- Regular Part-time Registered Nurse(s) to work ED and/or In-Patient Unit
- Temporary Regular Part-time Registered Nurse(s) to work ED and/or In-Patient Unit
- Casual and Temporary Part-time RPN to work on the In Patient Unit

If you are passionate about patient care and have the qualifications we are looking for, please submit your application of interest and resume to:
