

CLAC SERVICE JOB POSTING- 2024-01-15

Permanent Part-time MDRD Technician

Effective immediately

Embracing the health and hearts of the community

The MDRD Technician will be responsible for decontaminating, reprocessing and sterilization of equipment, supplies and instrumentation, as well as maintaining the sterilization systems using preventative maintenance and quality practices. The MDRD Technician will ensure the sterilization system's maintenance is performed as per hospital policies and procedures. The MDRD Technician will also function as an OR assistant, working collaboratively with OR staff, as well as deliver sterile supplies throughout the hospital as needed. Some additional supply delivery, stocking and organizing in conjunction with the JIT system may be assigned. The MDRD Technician will maintain proper infection prevention practices and act as a resource of current information on accurate infection prevention practices as it relates to the OR/MDRD.

Hours of Work: The schedule consists of a variety of shifts, including weekends and holidays, on a nine week rotational basis.

Qualifications:

- Secondary School Diploma or equivalent required.
- Medical Device Reprocessing Certificate through an accredited program required.
- CSAO Certificate an asset.
- Minimum one year experience with Steam Autoclaves, Steris System 1, OER Pro endoscope reprocessor and other pertinent processing equipment an asset.
- Experience in computers an asset.
- Ability to function as a team player together with co-workers and management.
- Ability to lift up to 25 lbs and push and pull stocked carts.
- Demonstrates a commitment to communication, continuing education and willingness to actively participate in department educational activities.
- Demonstrates a commitment to a healthy and safe workplace for self and others (staff, patients, families and others) by taking all reasonable precautions and working in compliance with hospital related policies, health and safety legislation and best practices and completing mandatory education as required.
- Demonstrated satisfactory work performance and attendance history.
- Commitment to the Mission, Vision and Values of Haldimand War Memorial Hospital.

Instructions to Applicants: Successful candidates will be required to submit proof of full COVID-19 vaccination from the Ontario Ministry of Health website or other authorized source directly to Human Resources. If an exemption is required based on medical or on a ground pursuant to the Ontario Human Rights Code, please speak with Human Resources for further information.

Haldimand War Memorial Hospital & Edgewater Gardens welcomes and encourages applications from people with disabilities. Accommodations are available on request for candidates taking part in all aspects of the selection process.

Please forward your resume and letter of application to the attention of Julie Hogeterp, Director OR/ED/MDRD, and Human Resources at hr@hwmh.ca.
