

Embracing the health and hearts of the community

OPSEU JOB POSTING – EWGOPSEU 2026-09-30-1

Posting: Recreation Therapist	Employee Group: Programs Reporting to: Director of Recreation Therapy
Posting Period: September 30 – October 7, 2026	Position Status: Temporary Part-time Position to commence October 31, 2026

Core Competencies:

Interpersonal communication, collaborative skills, critical thinking, leadership skills

Position Summary:

Working collaboratively as part of the interdisciplinary team you will facilitate and promote well-being & a healthy lifestyle for seniors living in a care setting by addressing their social, intellectual, spiritual, emotional, physical and environmental needs through assessment, program development, facilitation and evaluative approaches. This will be accomplished by conducting assessments, developing individual recreation plans, completing resident documentation, development of program goals and objectives and evaluating a variety of individual and group recreation programs. You will provide supervision to students and volunteers and will follow the EWG's Recreation Therapy philosophy of care which includes DementiAbility practices and Gentle Persuasive Approaches.

Vacancy Status:

This posting is for one (1) current temporary part-time vacancy.

Hourly Wage:

\$25.41

Qualifications

EDUCATION:

- Community College Diploma in Recreation Therapy (or actively taking the program), plus successful completion of DementiAbility education by a certified DementiAbility educator
 - If the candidate of choice does not have this education, you will be expected to successfully complete it and provide proof of successful completion within 1 year of start date (unless you are already a staff of Edgewater Gardens)
- Special consideration will be given to applicants with the following:
 - DementiAbility Certificate
 - Gentle Persuasive Approach
 - Canadian Centre for Activity and Aging SFCI or Tiered Exercise Program Cert.
 - Specialized training in Restorative Care practices, Palliative Care, Behavioural management and complex care are additional assets

EXPERIENCE:

- Special consideration will be given to applicants with:
 - Prior experience in Long-Term Care
 - Experience in restorative practices / therapeutics

KNOWLEDGE & SKILLS:

- Good understanding of administrative processes
- Solid skills relative to area of responsibility in therapeutic recreation approaches; knowledge of counselling skills and processes is an asset

- Demonstrated ability to work independently with complex tasks requiring minimal supervision
- Valid Ontario Driver's License and access to a reliable vehicle
- Excellent verbal and written communication skills with the ability to report, explain, provide clarification, and persuade to gain approval
- Demonstrated initiative, and ability to make decisions involving routine tasks, within established procedures
- demonstrated ability to exercise significant discretion and sensitivity involving regular work with confidential information
- Demonstrated analytical and problem-solving skills involving occasional ingenuity, and refinement of procedures when necessary
- Proven ability to make responsible purchases
- Demonstrated capability to act as a leader within a functional area, including providing advice and training
- Organizational skills with considerable attention to detail to avoid errors and ability to meet deadlines
- Excellent interpersonal skills including the ability to work effectively in a team environment and guide interdisciplinary team-based discussions to increase teamwork, communication and respect

TECHNOLOGY APTITUDE:

- Demonstrated advanced skills to utilize various technological devices and programs while adhering to cybersecurity and social media policies (computer, iPads, SMART board, projector and sound systems)
- Intermediate knowledge of MS Office (Word, Excel, Outlook, PPT & Publisher), and Point Click Care and Activity Pro documentation software

RESPONSIBILITIES:

The incumbent is expected to, but not limited to:

Corporate

- Adhere to Edgewater Gardens Recreation Therapy philosophy of care based on DementiAbility practices
- Adhere to the Resident's Bill of Rights and ensure that it is respected
